

Horncastle & District Tennis Club

Court Booking Policy

Horncastle and District Tennis Club Ltd wants everyone to be able to have access to all our courts in an affordable and orderly manner to ensure maximum enjoyment and access to our sport. We recognise that membership of the club is not a desirable option for everyone and therefore all the courts are available to book by non-members.

Bookings take precedence over people turning up on-spec without a booking.

Regular activities/matches/coaching sessions will be pre booked in advance and take precedence over other bookings but there are very few times when no courts are available for public use.

Parents are reminded that if they book courts for their children, they take full responsibility for them. Children under 12 should not be left unsupervised at the courts.
